

# PSYCO PROJECT: ANR Post Doctoral Position

**Project** : PSYCO (Combinatorics - permutations and symmetric functions)

**Location** : LaBRI, Université Bordeaux 1, France.

**Research team** : Algebraic and enumerative combinatorics.

**Selected candidate** : Matteo Silimbani.

**Date** : September 2012 - August 2013.

**Research themes** : Tree-like tableaux, permutation tableaux, permutation statistics, avoiding pattern, non ambiguous trees, trees, Bessel functions.
