

PSYCO events and cooperations

Events

- **The combinatorics days of Bordeaux (JCB) :**
The conference JCB (February 1-3 2012, February 13-15 2013, February 12-14 2014) has been organised by some members of the PSYCO project, and has received some financial support from PSYCO.
- **Gascom 2012 and the "Journées X. G. Viennot" :**
The conference Gascom and the "Journées X. G. Viennot" (June 25-29, 2013) have been organised by some members of the PSYCO project, and has received some financial support from PSYCO.
- **Permutation Patterns '13 :**
The conference Permutation Patterns '13 (July 1-5, 2013) has been organised by some members of the PSYCO project, and has received some financial support from PSYCO.
- **Aléa 2013 :**
The conference Aléa 2013 (March 18-22, 2013) has been organised by some members of the PSYCO project, and has received some financial support from PSYCO.

Coopérations scientifiques

- **Visit of Luca Ferrari** (University of Florence, Italy), February 4-8, 2013.
Topic of the visit : enumeration of d-minimal permutations, and almost-avoidance of patterns in permutations.
